POLICY

1. School profile

Wimba Primary School–established in 2024 and is located approximately 25 kilometres west of Melbourne. We enrolled 200-300 students in our opening year, with around 30 school staff members, including a school Wellbeing Coordinator.
Our school grounds are in the emerging suburb of Tarneit. The school has five permanent buildings including an administration building, gymnasium, learning neighbourhoods and a specialist neighbourhood. There are also landscaped grounds that include hardcourts, play equipment and shade sails and enable students to access several spaces for play and outdoor learning opportunities.

Our school is culturally diverse with many families having a language background other than English (LBOTE), with the largest LBOTE groups being Punjabi and Hindi. Due to this diverse population the school has a high number of students identified as having English as an Additional Language (EAL) with English not being their native language. The school also has strong representation from many other communities. We welcome diversity and aim to be an inclusive school community.
Our comprehensive curriculum supported by extensive resourcing, research informed practices and high expectations for learning, creates a positive environment for connecting and engaging our learners striving for excellence. To embed this, our school provides sequential learning and teaching programs that deliver a comprehensive and inclusive curriculum to all students, whilst working to foster an increasing sense of student voice and learner agency.
Wimba Primary School is committed to providing a safe, supportive, and inclusive environment for all students, staff, and members of our community.
