

Dear parent/guardian,

Wimba Primary School is looking forward to another great year of teaching and learning and would like to advise you of Wimba Primary School voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through contributions, fundraising or volunteering your time. This has made a significant difference to our school and the programs we can offer.

Within our school this support has allowed us to offer a wider range of subjects and special curriculum experiences, specialist programs, enhanced digital learning opportunities, faster WIFI and internet. The school makes every effort to keep the cost of items purchased and activities at a minimum and sources these products from the most economical supplier possible.

Please find the contribution schedule below.

Our school website Wimbaps.vic.gov.au has the link to the Parent Payment Policy for your reference. For further information on the Department's Parent Payment Policy please see a one-page overview attached.

Payment Methods

We would appreciate families making their contributions and payments as soon as possible in the new school year. Contributions and payments **should be finalised by the end of Term 1 2025** using our preferred payment method via the Compass portal - Course confirmation/Payments or via EFT at the front office.

Payment Plan arrangements are also available via the Compass portal.

Refunds:

All refund requests must be made in writing. A request for a refund does not automatically equate to a full refund of monies paid.

- **Curriculum Contributions:**

Where payment has been received for the curriculum contributions and the student is exiting the school, a pro-rata refund, dependent on the number of terms the student has been enrolled at the school for, may be applicable.

- **Extra-Curricular items and Activities:**

Students withdrawing from camps, excursions and extra-curriculum activities can request a refund. A refund (less any non-refundable deposit) will be payable to the parent/guardian after the event has occurred, if the withdrawal from the activity is due to unavoidable circumstances i.e. illness. Proof may be required e.g. medical certificate.

Where the school is charged a 'group fee' as opposed to a 'per head fee', a refund cannot be calculated until all associated costs have been met.

Yours sincerely,

Paul Schwartz
