Student Uniform Policy

Purpose

School uniform reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Student Uniform Policy.

The Student Uniform policy aims to:

- foster a sense of community and belonging and encourages students to develop pride in their appearance.
- support Example School's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities.
- reduce student competition on the basis of clothing.
- enhance the profile and identity of the school and its students within the wider community.

The School Council has developed a dress code that we believe provides a range of choices for students and is cost effective for families.

Scope

Students are expected to comply with this Student Uniform policy while traveling to and from school, during school hours and when attending school activities.

The Uniform Policy has been developed in a considered way to provide choice for the student, allows for students to safely engage in the many varied school activities, and caters for the financial constraints of families.

Uniform and appearance

While at school, traveling to or from school or participating in school activities, students must comply with the following:

- Uniforms must be clean and in good repair
- Uniforms must be clearly marked with the owner's name
- Additional layers of clothing may be worn underneath the uniform for added warmth, provided these undergarments are completely hidden.
- **Hats** -students must wear suitable SunSmart hats consistent with our SunSmart policy when outdoors in Terms 1 & 4. Students are encouraged to wear protective headwear such as beanies in Terms 2 & 3 when outdoors. Hats are not to be worn inside. The school hat is a bucket style hat in black.
- **Headscarves & Turbans** -must be in school colours only (black, royal blue or white)
- **Hair Accessories** - must be in school colours only - (black, royal blue or white.) Long hair should be tied back (to avoid potential head lice)
- **Jewellery** - no decorative jewellery to school. Stud earrings and sleepers are okay. Watches are permitted.
- **Socks** - must be in school colours only (black or white)
- **Shoes** -runners are acceptable.

- **Dresses and Skirt**- Knee High or short socks in school colours must be worn with dresses or black or white tights – no long pants are to be worn under the dress except in the case of cultural reasons (leggings are acceptable, no track pants)
- **Pants/Trousers** – can be worn with tops and jackets only – not with dresses, skirts except in the case of cultural reasons.
- **Jumper/ Vest/ Soft Shell Jacket** -can be worn with dresses, skirts, shorts and trousers.
- **Extreme hair colours** (e.g.: green, pink or purple rinses) and/or extreme hairstyles (e.g., mohawks) are not permitted.
- **Other than clear nail polish**, makeup may not be worn at school.

Purchase of uniforms

The Uniform Policy including details of uniform items and places of purchase, will be included in the enrolment pack and published on the school website.

Please contact the Principal or Business Manager to discuss support that we may be able to provide to families experiencing difficulty meeting uniform costs, including information about eligibility for uniform support through State Schools' Relief. Further information about State Schools' Relief is also available on their website: <https://www.ssr.net.au/>

Exemptions of student dress code

We recognise that there may be situations where the application of this dress code may affect students unequally.

Students and their parents or carers may apply either in writing or in person to the Principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background.
- the student has a particular disability or health condition that requires a departure from the dress code.
- the student or their parents/carers can demonstrate economic hardship that prevents them from complying with the dress code.

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request.
- explain the process to the student and/or their parents/carer.
- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.
